PATROLLING STANDS FOR

- Supervision, Monitoring & Control over the existing security measures.
- In Nut-Shell it Advances, Confirms that the current Safety & Security standards are up-to-date on daily basis.

Physical Check through our field patrolling fleet 1-3 times every night who verifies/examines:

- Security Guard is awake on duty or not in night.
- CCTV is working properly or if they are tampered.
- Goods & Material are laying Safe & Proper.
- Assets & Property is protected or not.
- Labor is properly working in the night or not.
- Electricity Meters & Wire Cables are in order or there is any chance of Short Circuit.
- If there is any conspiracy going with someone's involvement
- Your site is Theft free or not.
- If there is any emergency in the night and you need immediate support etc....

Through Subscribing our services you get a permanent relief, specially from:

- Accidents & Emergency Situations.
- Any Critical situation arises on odd hours.
- Fire explosion due to carelessness of staff.
- In-house Theft Chances.
- External Theft Chances.

ARE YOUR **SECURITY** MEASURES DOING WHAT YOUR HAVE PAID FOR ?
